THEN, NOW, NEXT · A FREE EVENING FOR READERS

Our Year

A year holds more than either of you will remember on your own. Tonight you look back at it together: each of you writes apart, then you read each other's pages and talk. About 40 minutes.

Print one copy of this file. Pages 2 and 3 are one for each of you; page 4 you fill in together.

OUR YEAR

Written by _____

1. Three moments from this year I want us to keep.

2. Something you did this year that meant more to me than you may know.

3. Something we did together this year for the first time.

4. If this year were a chapter in our story, its title would be…

5. One thing from this year I want more of next year.
